Dear Friend,

The Haralson County Historical Society is in the planning stages of the third annual Haralson County Fried Pie Festival to be held Saturday, September 15, 2018. The Historical Society has held a festival in the Fall for over 40 years. The past two years we revamped the Fall Festival to the Haralson County Fried Pie Festival and expanded the festival throughout the entire downtown Buchanan area. Plans for this year's festival include multiple stages of entertainment, a fried pie cooking contest, and a separate children's activity area with carnival style rides.

We expect this year's festival to be even larger so please get your application turned in as soon as possible. We will do our best to see booths from different vendors do not sell the same type of item. Please complete your application *thoroughly* to help us accomplish this. And submit it *promptly* to avoid rejection due to merchandise duplication. Also, please make sure you read the "vendor rules" completely!!

**NOTE: please remember there are very limited electricity spaces...and the majority are around the Courthouse. If you want a spot around the Courthouse you will need to pay for power whether you need it or not.**

Your completed application and payment can be sent to the above address or use PayPal on the event page.

The Friends of the Library will hold their annual fundraising BBQ lunch so we are asking vendors to **please refrain from selling ANY type of chopped BBQ**. Other BBQ items will be considered but must be approved.

If you have any VENDOR questions, you may call me 678-644-0743. (All calls will be returned AFTER 5pm Mon-Fri) or email [countryfriedfest@gmail.com](mailto:countryfriedfest@gmail.com). General festival inquiries can be sent to the Gmail address.

Haralson County has many activities to enjoy during your visit. Please go to [www.visitharalson.org](http://www.visitharalson.org) for more details. Look forward to seeing you in September!!

P.S. I find e-mailing the application and rules is much easier (and quicker) than snail mail so if you have an e-mail address, please make sure I have it!
