# “A Night in Hungary”

Saturday, November 2, 2019

7:00 pm

Sewell Mill, Bremen

**Puttonyos** (pu TON yos) is the unit given to denote the level of sugar and hence the sweetness of Hungarian dessert wine, called Tokaji (or tokay). While Budapest and Nitra thrived as communities in Haralson County in the late 1800's, an attempt to create another community by the name of Tokaji never materialized.
