Dear Friends and Supporters,

Four years and counting! The Haralson County Historical Society and the Haralson County Fried Pie Festival are putting Haralson County on the map! This annual tradition has brought a sense of community, new visitors, and economic benefits to our great County.

Last year's festival brought crowds in the thousands to downtown Buchanan and helped the Historical Society move towards our goal to restore the windows at the Historic Courthouse and repair headstones at the Budapest Cemetery.

What can you expect to see at the 4th Annual Fried Pie Festival on September 21, 2019?

- ◆ Car, Motorcycle & Tractor show
- ◆ Fried Pie Cooking Contest
- ◆ Two stages of entertainment
- ◆ Demonstrations
- ◆ Beauty Pageant
- ◆ Arts and Crafts
- ◆ Children's Area with Rides
- ◆ Food and Drink Vendors
- ◆ Petting Zoo
- ◆ A LOT OF FRIED PIES!

Each year we call on our citizens and local business owners to help with the expenses of running the festival. Your generous donations have and will help pay for things like volunteer tee shirts, children's activities, housekeeping, advertising and more. If you donated in the past years, we cannot thank you enough!

There are several ways to help. We are often in need of "in kind" donations, volunteers to "plan and man" the festival, and always in need of monetary support.

We have attached a sponsorship form with suggested donation levels for your review. If you are interested in volunteering, please email us at countryfriedfest@gmail.com.

If you are interested in learning more about our county's history and would like to get involved with the Historical Society, we meet the second Monday of the month at 6:00pm at the Historical Courthouse.

Thank you for your community support and helping preserve our county's landmarks.

Please contact us with any questions.

Best Regards,
